

Beginning a New Journey

The Epistle to the Romans!

The Text:

Galatians 1:1-10!

The Title:

Another Gospel is No Gospel at All!

The Theme:

God's Gospel of Grace through Christ Alone!

In Galatians Paul Defends Three Truths:

1ST His calling as a MESSENGER of God's Gospel.

In this letter Paul sets before us one of the strongest and clearest affirmations of his calling as an apostle of God.

In Galatians Paul Defends Three Truths:

1ST His calling as a MESSENGER of God's Gospel.

2ND The truth of the MESSAGE of God's Gospel.

The letter written to the churches of Galatia is a bold assault against the legalism that builds on the works of men and enslaves us by placing us under the works of the Law.

In Galatians Paul Defends Three Truths:

1ST His calling as a MESSENGER of God's Gospel.

2ND The truth of the MESSAGE of God's Gospel.

**3RD The practical out-working of God's grace
in the MINISTRY of the Gospel.**

**This letter to the Galatians builds upon
the theological truths of heaven, through the practical
application of those truths here on earth.**

**Paul's goal is to remind us that head knowledge
apart from a heart for God, achieves nothing.**
