# Three Lessons from Today's Sermon!

Jesus' love will not interfere or violate the  
free will of man!

In chapter nine mankind is allowed to seek the idols of gold and silver and brass and precious stones and wood, even when the desire for such things lead to war and complete destruction. In this chapter we discover that the hearts of men will not change even when complete annihilation is at hand.

# Three Lessons from Today's Sermon!

## Satan's hate for mankind cannot be denied!

In this chapter we see Satan unleashing his demonic forces causing his own followers to suffer (men will seek death and not find it). His tools of destruction are fire, smoke and hailstones (war and death). This should not surprise us because throughout the Bible he is referred to as a serpent, tempter, deceiver, murderer, evil dragon, Abaddon, and Apollyon (etc.), yet the world continues to blindly follow him down the path that leads to hell (sorceries / drugs).

## Three Lessons from Today's Sermon!

As we turn from the seal judgments (in chapter 6) to the trumpet judgments (chapters 8 & 9) we are overwhelmed with the coming destruction that will soon take place on earth. Don't forget that the bowl judgments are yet to come. Things will again turn from bad to worse!

In John 14:6 Jesus said, "I am the way (to the Father), the truth (from the Father), and the life (which comes from the Father), and no one comes to the Father but by Me. Question. Why are you waiting?"
